Hey, peeps! Let's take a long lunch and go ruin the day for some cardboard silhouettes! I can't stand listening to the Platypus shuffle papers, stare out at the gray, and sigh like a latchkey border collie one more damned minute.

It is pretty impressive, isn't it? My hair flies, and I had to weight all the notes on my desk down with books and the stapler.

Well, if you're going to make it sound so appealing...

Oooo-kaaay, he says in his grumpy-kid voice.

Whatcha mean, grumpy-kid voice? You *are* a grumpy kid!

...

...

I might even let you borrow it sometimes. That is, if I were to happen to have one.

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Wish I was there and I could go, too. From firearms to baked goods, your days sound much better than mine.

There are also piles of other people's badly-written reports and disgusting photos. Teh Fun, it does not stop!

I bet cops are as bad as engineers on the writing thing. "We do it because we have to, not because we enjoy it."

(I am an engineer, and I actually rather enjoy writing (though technical writing is a chore I do only because I know if I don't do it, someone else will, but worse). Then again I'm weird in any number of ways, and this is hardly the weirdest of 'em.)
